

# WELCOME

---

## Ron Danner

**The Center for the Study of Polymeric Systems**

PENNSYLVANIA STATE UNIVERSITY  
CENTERS OF EXCELLENCE

# A bit of history

---

**The Center was begun in 1990.**

**Had a rather limited focus – solubility and diffusion in polymer-solvent systems.**

# Center for the Study of Polymer-Solvent Systems

Department of Chemical Engineering  
The Pennsylvania State University

J. Larry Duda

Ronald P. Danner

# Center for the Study of Polymeric Systems

Department of Chemical Engineering  
Material Science and Engineering  
The Pennsylvania State University  
Coray Colina  
Ronald P. Danner

PENNSTATE

CENTERS OF EXCELLENCE

# Center for the Study of Polymeric Systems

---

**Expanded focus.**

**Access to a lot more facilities and capabilities,  
i.e. – equipment and experts!**

# A Note of Thanks

---

**Carlo Pantano – Materials Research Institute**

**Gary Messing, Department of Material Science  
and Engineering**

**Andrew Zydney, Department of Chemical  
Engineering**

**The Center for the Study of Polymeric Systems**
